

C-ITS / connected vehicle deployment

Webinars / web-meetings - <https://sii-israel.zoom.us/j/96399977026>

Promotion in Israel

Subject

A series of webinars and web-meetings designed for an audience in Israel. Focus on the needs in Israel, and on solutions identified in the C-ITS Delegated Act published by the European Commission in 2019.

The whole event is organized in a sequence of webinars and web-meetings.

The first webinar is scheduled for 18. June 14:00h (13:00 EU time), with a target duration of 3 ½ hours (with open end for questions and answers).

Subsequent web-meetings are planned to clarify technical and procedural details. The attendees are encouraged to suggest the topics for these web-meetings.

Agenda for first webinar

1. **14:00 Israel time (13:00h EU time):**
Welcome by the organizer (Standards Institute of Israel - Isaac D. Akerman / Dalia Yarom – Head of the Standardization Div.)
